REPORT FROM SPAIN (1943)

From: **PROGRESSIVE**

To: Moscow

No: 429

7 Feb. 43

To the Director.

1. SVENSON[1] reported that [G, BRAIN]HPC[11] [46 groups unseparable]

reason was that he[¹] knew the people and that he[²] can be of use.

We are waiting for an optimal solution.

No. 1 (B, 59)

MAY 1970 [551]

Note: [a] Presumably refers to stations other than SWANW.

Comments: [1] EVERSON : Unidentified. The phrases "EVERSON says ..." drop out when the tape is transcribed.

[51.] BRAUNBERG: Unidentified. This is a literal transcription of the name as spelt in Cyrillic. Possibly an error - e.g. for BRAUNBERG, BRAUNBERG.

[111] AKABTO : Unidentified-cover-name. *Detainee Col. R. J. H. HILL*
